

HIKE SCHEDULE: SPRING 2010

Classes meet at the specified field site at 10am & conclude by 3:00. We hike rain or shine, but in case of heavy rain or storms, trips may be revised or cancelled. Current registrants will be notified of any last minute itinerary changes via phone tree or e-mail. “Drop-ins” are welcome (\$25/class)—please confirm the trip destination with a class member or the instructor before coming. Registrants who want to “make-up” a missed hike, may attend an alternate day.

For driving instructions to field site trailheads, click “DIRECTIONS”.
